NOTICE OF JOB OPENING

KANAB OFFICE – Mapping Technician
(Temporary Position)

Come live in beautiful southern Utah! Gain experience in the booming industry of Geographic Information Systems! Work in & around some of America’s most beautiful national parks, state parks, and national monuments!

**DUTIES:** Assist Garkane’s Mapping and Engineering staff with various projects. Primary focus will be inventory of fuses and lights on Garkane’s system. On-the-job training will be provided. Inventory will include independent driving, hiking, getting in/out of a truck, data collection using iPad and laptop, and occasional overnight travel. Tasks will vary depending on weather and current needs and may include:

- Field GPS data collection and inventory
- Field verification and labeling of equipment
- Data management
- Driving company vehicle throughout Garkane service area
- Assist Inspector and other field personnel
- Various other tasks as required
- **Pay is $16.00 per hour with 1000 maximum hours.**

**REQUIRED QUALIFICATIONS:** High School diploma or equivalent. Must possess and maintain a valid driver’s license.

**PREFERRED SKILLS:**
- Move through rough terrain safely and efficiently without getting lost or hurt
- Make smart decisions in terms of traveling in inclement weather
- Communicate clearly regarding safety, data collection, and data management
- Make a field work plan each week and track/document progress
- Collect quality data and thorough notes
- Remain organized, self-teach and be proactive where needed
- Be flexible with other duties as assigned
- Possess enough electrical knowledge to recognize assets/how they are connected
- Have experience using a GPS and map to navigate and collect data

**APPLICATIONS:** Applications will be accepted immediately from interested parties. Application forms are available online at [www.GarkaneEnergy.com](http://www.GarkaneEnergy.com) and at each area office.

**Deadline to Apply: June 9, 2022** – Interested parties should submit their applications to Lexie Little, any area office or online at [lexie.little@garkane.com](mailto:lexie.little@garkane.com). For more information, contact Lexie Little in the Kanab office 435-339-0063.
